MARINA MARQUES

Avid self-learner, proactive, organized and dedicated to everything I do. Excellent ability to achieve goals and meet deadlines under pressure. Passionate about new challenges and projects. Strong ability to adapt quickly to new environments. Ease in solving problems and finding solutions.

EXPERIENCE

FRONT END DEVELOPER & TEAM LEADER

BNP Paribas CIB
2015 - present

Joined as an intern for 9 months and was responsible for the development of websites (WordPress inc.), content and product management, maintenance of websites & mobile apps and elaboration of reports (Google Analytics). Promoted to Team Leader with responsibilities such as team and project management.

INTERNAL COMMUNICATION TECHNICIAN

Páginas Amarelas
2014 - 2015

As the person responsible for the internal communication of the company, I had to concept, develop, implement and monitor all communication campaigns. Handle the management, enhancement and monitoring of the company's Intranet, e-mail account and e-learning moodle. I was also responsible for the planning and management of events.

FRONT END DEVELOPER & CONTENT PRODUCER

Páginas Amarelas
2013 - 2014

Created and developed websites within the framework of Páginas Amarelas' online products (copywriting, implementation of SEO techniques and web design). I was the most productive person of the team, with an average of 3 websites created per day and was appointed to train new interns.

EDUCATION

FLAG

2015 - 2017

Acquired skills in website and web app development, front-end and backend along with app development for both Android and iOS.

ETIC

2011 - 2012

Learned how to develop websites using HTML, CSS, Javascript and PHP and how to handle a project and how to establish timelines for the end client.

UNIVERSIDADE LISBOA

2007 - 2009

Frequented the "Artistic Studies" course. Focus on cinema, literature, theatre, history, art of speech, greek and classic culture and languages (English and German).
